French Calf & Suede Vinyl Film Embossed Flexible Vinyl Film

Overview

Gane offers a wide selection of vinyl film products. Virgin Vinyls are available in two different embossings: the dull, shallow Suede finish and the medium bright French Calf finish. This .013" vinyl performs remarkably in a wide range of heat seal applications. The Echo Line is Gane's selection of environmentally-friendly vinyl film products. Also known as "General Purpose Vinyl", these products are constructed with recycled materials. General Purpose vinyl is available in two different embossings: the dull, shallow Suede finish and the medium bright French Calf finish. This .012" vinyl performs remarkably in a wide range of heat seal applications.
