Width: 54"

Adhesive/Glue: Recommended adhesives include: protein adhesive, poly vinyl acetate and hot melt applications.* Works easily with machine or hand binding processes.

Specification: Conforms to ANSI L29.1-1977 Standard for Group F cloth, meets Manufacturing Standards and Specifications for Group F cloth as established by: National Association of State Textbook Administrator (NASTA), Association of American Publishers and Book Manufacturing Institute.

*Testing prior to use is recommended. Actual results may vary based on individual applications and equipment.

ALWAYS CHECK FIRST

Changes in stock colors, finishes and product information are necessary from time to time due to the demands of our mutual market place and changing industry. Therefore, it is always best to check inventory availability on stock items as well as other product description and information. Also, due to variations in pigments, shades may vary from lot to lot.

Note: Monitor settings may not represent proper color. Please request samples or a sample card.
